Oh my, we are in the hub of the metropolis of Schurz, Nevada. You cannot miss the administration building. All of our departments have beautiful colored signs.

Our physical address is 1022 Hospital Road. We are across the street from the clinic (old hospital) and not knowing which direction you may be coming, but I am supposing it is from the Fallon area following Hwy 95 south. You will turn right at the railroad crossing and follow that road which is Hospital road. Our administration offices are on the right.

You cannot get lost!
